Actions

Access this Dataset via OData

Use OData to open the dataset in tools like Excel or Tableau. This provides a direct connection to the data that can be refreshed on-demand within the connected application.

Tableau users should select the OData v2 endpoint option.

Building and Safety Temporary Special Event (TSE) Permits

City Infrastructure & Service Requests

Temporary Special Events being held within the City of Los Angeles are required to be inspected and approved by the Department of Building and Safety. A Temporary Special Event permit application is filed with the Department of Building and Safety as a prerequisite for inspection.
